Port Aransas Citizens and Contractors:

To protect our staff, our customers and to help prevent the spread of COVID-19, the Port Aransas Building Department will be closed to the public until further notice.

We will continue to serve Port Aransas during this time with the following procedures:

- Permit applications will be only accepted via email, through the online Mygov portal as usual or from the pick up and drop off site outside of the Building Department's temporary offices in the parking lot of City Hall.
- Inspection requests can still be made via phone, via email, and easily through our MyGov contractor portal
- Payments for permits are most easily handled by credit card online through the MyGov portal. If you need to pay with cash or check, send us an email and we can help facilitate that.
- Consultations with our Building Official will be via email or phone.
- Inspections will continue **ONLY IF SOCIAL DISTANCING CAN BE ACCOMPLISHED** on the inspection site.

Online Permit Applications can be found and downloaded here:
