Re: Community and Common Element (HOA) Swimming pools, Hot tubs

Given the current Covid-19 outbreak and under the guidance of the Department of State Health Services (DSHS) and by the authority found in the Local Declaration of Disaster, we are asking all Community and HOA pools and Hot Tubs be closed by close of business (5:00pm) on Tuesday April 7, 2020. These closures will remain in effect to coincide with any local Mayoral Declaration of Disaster order. For those that have already closed their pools we would like to thank you for that pro-active decision. This will have no effect at this time on single family private pools although the "gathering and distancing" requirements remain in place.

Violation of a Local emergency order is punishable by a first offense fine not to exceed \$1000. Thanks to all for your understanding and cooperation in these difficult times.

Respectfully,

Rick Adams, Director Emergency Management,
Development Services
City of Port Aransas
