

**CITY OF PORT ARANSAS, TEXAS
SIXTH MAYORAL DECLARATION OF LOCAL STATE OF DISASTER
DUE TO PUBLIC HEALTH EMERGENCY**

WHEREAS, beginning in December 2019, a novel coronavirus, now designated COVID-19, has spread through the world and has now been declared a global pandemic by the World Health Organization; and

WHEREAS, prudence dictates that extraordinary measures must be taken to contain COVID-19 and prevent its spread throughout the City, including the quarantine of individuals, groups of individuals and occupied structures and, additionally, including compelling individuals, groups of individuals, or occupied structures to undergo additional health measures that prevent or control the spread of the virus; and

WHEREAS, Governor Abbott and Nueces County have declared a local disaster due to public health emergency; and

WHEREAS, the Governor on March 19, 2020 issued Executive Order No. GA-08 relating to COVID-19 preparedness and mitigation and setting forth four Orders. The aforesaid Executive Order is hereby adopted by the City of Port Aransas and will be enforced to the extent allowed by law. The four specific Orders of the Governor contained within said Executive Order No. GA-08 follow: Order No. 1, In accordance with the Guidelines from the President and the CDC, every person in Texas shall avoid social gatherings in groups of more than 10 people; Order No. 2, In accordance with the Guidelines from the President and the CDC, people shall avoid eating or drinking at bars, restaurants, and food courts, or visiting gyms or massage parlors; provided, however, that the use of drive-thru, pickup, or delivery options is allowed and highly encouraged throughout the limited duration of this executive order; Order No. 3, In accordance

with the Guidelines from the President and the CDC, people shall not visit nursing homes or retirement or long-term care facilities unless to provide critical assistance; and Order No. 4, In accordance with the Guidelines from the President and the CDC, schools shall temporarily close; and

WHEREAS, the Nueces County Judge issued an Order to Shelter in Place on March 25, 2020 to expire April 8, 2020 at 11:50 p.m.; and

WHEREAS, the Mayor of the City of Port Aransas, Texas issued his first Mayoral Declaration of Local State of Disaster on March 16, 2020 and has issued a subsequent Declaration or Declarations.

WHEREAS, on March 31, 2020, Executive Order GA 14 was issued by the Governor. It provides as follows: “This executive order does not prohibit people from accessing essential services or engaging in essential daily activities, such as going to the grocery store or gas station, providing or obtaining other essential services, visiting parks, hunting or fishing, or engaging in physical activity like jogging or bicycling, so long as the necessary precautions are maintained to reduce the transmission of COVID-19 and to minimize in-person contact with people who are not in the same household.” It further provides: “This executive order shall supersede any conflicting order issued by local officials in response to the COVID-19 disaster, but only to the extent that such a local order restricts essential services allowed by this executive order or allows gatherings prohibited by this executive order.” The Governor’s Order GA 14 states that it does not prohibit people from (1) accessing essential services or (2) engaging in essential daily activities. The Order cites fishing as an example of an essential daily activity. So, the Governor’s Order does not prohibit either essential services or essential

activities. It does not prohibit fishing. The Order, by its own terms, supersedes conflicting local orders only if and to the extent the local order restricts essential services. Fishing is not a service. It is an activity. This self limiting provision therefore leaves unaffected by the Governor's Order GA 14 the City of Port Aransas Mayoral Third Declaration M.O. No. 3 regarding fishing which is hereby re-issued below as part of this Fourth Declaration. Port Aransas is located on an island in the Gulf of Mexico. It is a tourist town, a town attractive to tourists because of its water based activities, including fishing. The Mayoral Order prohibiting fishing from certain locations open to the general public was and is an attempt to reduce fishing activity by eliminating it from public venues, the ship channel, jetties and beach, because it attracts tourists, exacerbating the danger of proliferation of the COVID-19 virus. It is an attempt to protect the citizens of our City and other innocent victims endangered by the spread of this frightening, life threatening pandemic.

NOW, THEREFORE, BE IT DECLARED BY THE MAYOR OF THE CITY OF PORT ARANSAS, TEXAS:
