11. CANDIDATE NAME: Enter your name as you did on Page 1.

12. MODIFIED REPORTING DECLARATION: Sign this option if you wish to report under the modified reporting schedule.

The modified reporting option is not available for candidates for the office of state chair of a political party and candidates for county chair of a political party.

To the left of your signature, enter the year of the election or election cycle to which your selection of modified reporting applies.

Your selection of modified reporting is valid for an entire election cycle. For example, if you choose modified reporting before a primary election, your selection remains in effect for any runoff and for the general election and any related runoff. You must make this selection at least 30 days before the first election to which your selection applies.

An opposed candidate in an election is eligible to report under the modified reporting schedule if he or she does not intend to accept more than \$940 in political contributions or make more than \$940 in political expenditures in connection with an election. The amount of a filing fee paid to qualify for a place on the ballot does not count against the \$940 expenditure limit. An opposed candidate who reports under the modified schedule is not required to file pre-election reports (due 30 days and 8 days before an election) or runoff reports (due 8 days before a runoff). (Note: An *unopposed* candidate is not required to file pre-election reports in the first place.) The obligations to file semiannual reports, special pre-election reports, or special session reports, if applicable, are not affected by selecting the modified schedule.

The \$940 maximums apply to each election within the cycle. In other words, you are limited to \$940 in contributions and expenditures in connection with the primary, an additional \$940 in contributions and expenditures in connection with the general election, and an additional \$940 in contributions and expenditures in connection with a runoff.

EXCEEDING \$940 IN CONTRIBUTIONS OR EXPENDITURES. If you exceed \$940 in contributions or expenditures in connection with an election, you must file according to the regular filing schedule. In other words, you must file pre-election reports and a runoff report, if you are in a runoff.

If you exceed either of the \$940 limits *after the 30th day before the election*, you must file a sworn report of contributions and expenditures within 48 hours after exceeding the limit. After that, you must file any pre-election reports or runoff reports that are due under the regular filing schedule.

Your selection is not valid for other elections or election cycles. Use the AMENDMENT (FORM ACTA) to renew your option to file under the modified schedule for a different election year or election cycle.

For more information, see the Commission's campaign finance guide that applies to you.
