

CITY OF PORT ARANSAS

FAQ SHEET

Q: Who do I call for a power outage?

A: AEP [866.223.8508](tel:866.223.8508) or visit their website at <https://www.aep.com>. Please DO NOT call City Hall or The City of Port Aransas Police Department, as we do not own the power lines. The police department phone lines need to stay open for emergencies.

A: When the tides get too high to safely load the Ferry. The US Coast Guard and TxDOT work closely together to monitor the tides to determine when the Ferry will close. The City of Port Aransas will know in advance, and we will post any ferry closures on the website and broadcast it on our Alert System.
