SEPTEMBER IS LIBRARY CARD SIGN-UP MONTH

Whether you're upgrading your skills, scouting for knowledge and information, or connecting with other heroic readers, a library card is your key to an arsenal of resources. Spark your creativity as a builder or programmer by tinkering in your library's makerspace; mine the library's stacks and databases for new stories and adventures; kickstart your critical thinking skills to defeat the Decepticons of misinformation lurking online.

Hitting the road? Use your library card to fuel your mind with books, e-books, audiobooks, and museum passes.

On August 2nd, we invite you to spend some time coloring with us at Ellis Memorial Library during this all day come and go event. Supplies provided by Friends of the Library.
