Attachment No. 1 – 1A1[2] Invitation to Bid

DIVISION 1 - GENERAL REQUIREMENTS

SECTION 1A - BID DOCUMENTS

1A1^[2] INVITATION TO BID

Sealed Proposals addressed to the City of Port Aransas will be received at the office of the City of Port Aransas, 710 W Avenue – A, Port Aransas, TX 78373 until **Thursday, September 4, 2025 @ 3:00 P.M.**, at which time they will be publicly opened and read.

Proposals will be for construction of a new traffic signal and roadway re-striping at the intersection of Avenue G and Station Street.

The project consists of traffic signal installation and roadway re-striping.

Bidders must submit a Cashier's or Certified Check issued by a bank satisfactory to City of Port Aransas, or a Proposal Bond from a reliable surety company, payable to City of Port Aransas in an amount not less than five percent (5%) of the bid submitted as a guaranty that the Bidder will enter into a contract using the forms provided within ten (10) days after notice of award of contract to Bidder. Bids without the required check or proposal bond will not be considered. The City of Port Aransas will notify the successful Bidder, in writing, within thirty (30) days after the date of opening bids, of its acceptance of Bidder's proposal.

The successful Bidder will be required to furnish a Performance Bond and a Payment Bond each in the amount of contract, written by a responsible surety company authorized to do business in the State of Texas, listed in the latest issue of U. S. Treasury Circular 570 and satisfactory to the Owner, as required by Article 5160, V.A.T.C.S., as amended by H.B. 344, passed by the 56th Legislature, Regular Session, 1959.

The Contract Documents contain detailed Instructions to Bidders; however, the Contractors attention is directed to the following items:

1. The Bidder is hereby notified that the Owner has ascertained the Wage Rates, which prevail in the locality in which this work is to be done. The Contractor and Subcontractors shall pay not less than the Wage Rates so shown for each craft or type of "laborer", "workman" or "mechanic" employed on this project.
2. The Contractor is required to obtain tentative approval (prior to bidding) for certain major items of equipment to be incorporated into the project. See Subsection 1E17 for a list of major items on which tentative approval is required. To be considered, specific information must be received by the Engineer no later than 10 calendar days prior to the date set for bid opening. If the 10th. day falls on Saturday or Sunday, then submission must be delivered to the Engineer by 5:00 P.M. on the previous Friday. All other equipment must meet all requirements of the specifications, but tentative approval (prior to Bidding) will not be given. Any information on equipment, other than that listed in Subsection 1E17, submitted to the Engineer prior to bidding will not be reviewed and will be automatically be discarded without notification.

The Owner reserves the right to reject any or all bids and to waive formalities. In case of ambiguity or lack of clearness in stating the prices in the bids, the Owner reserves the right to consider the most advantageous construction thereof, or to reject the bid. Unreasonable (or "unbalanced") unit prices will authorize the Owner to reject the bid.

Bidders are expected to inspect the site of the work and to inform themselves regarding all local conditions.

Printed copies of the Contract Documents, which include drawings, general requirements, and technical specifications, may be obtained by a non-refundable fee of \$50.00 with Urban | DCCM, 2725 Swantner St., Corpus Christi, Texas 78404-2832.
