Ellis Memorial Library will host a Texas America250 exhibit beginning in January. As the nation celebrates this landmark, Texans look back over their long and storied history to remember key moments in the Lone Star State's journey. Our famously independent and loudly proud state also contributes its own unique history to the broader, unfolding American story. Texas-specific commemorations such as the 1936 Texas Centennial marking 100 years of independence and 1986 Texas Sesquicentennial remain landmark moments in the state's history.

Kathleen Caldwell was enthusiastically involved in supporting our youth and sharing her love of literature during her time as Library Director for the City of Port Aransas.

The library will begin accepting puzzle donations mid November for the annual Library Advisory Board (Puzzle) Sale. The event will also offer some books and be held in the library meeting room Wednesday, February 4, through Saturday, February 7, 2026.

Stop by the circulation desk if you are interested in volunteering.
